Report

The PG and Research Department of Computer Science organized a seminar on "Machine Learning Applications and Examples from Customer Engagement" on the 7th of August 2023 at 10:00 AM in the Seminar Hall. The event aimed to explore the practical applications of machine learning in the context of customer engagement and showcase real-world examples.

The seminar commenced with a prayer, setting a respectful and focused tone for the event. Ms. Jisha T E, the Head of the Department of Computer Science, delivered a warm welcome speech, extending gratitude to all attendees and emphasizing the significance of the seminar's theme.

Dr. Maria Martin Joseph, the Principal, delivered the presidential address, underscoring the importance of technological advancements like machine learning in shaping various industries, including customer engagement.

Ms. Junaida Nallakandi provided a profile reading of Mr. Babu Mathew, the esteemed Director of Data and AI/ML at Innovation WorldLink US, shedding light on his expertise and achievements in the field.

The highlight of the event was the keynote address by Babu Mathew himself. He shared valuable insights into the world of data-driven artificial intelligence and machine learning, focusing on their applications in enhancing customer engagement. His address was not only informative but also inspired the audience to explore new dimensions in their field of study.

Mananthavady, Wayanad, Kerala Re-accredited by NAAC with B++ Grade, CGPA 2.85 (III Cycle) Education for total liberation

Expressing gratitude and acknowledging the efforts of all involved, Ms. Tancy V S, Assistant Professor in the Department of Computer Science, delivered a vote of thanks. Her words resonated with attendees, conveying appreciation for their participation and contribution to the seminar's success.

Session on Machine Learning Applications: Babu Mathew's session on Machine Learning applications and examples from customer engagements was the highlight of the event. He presented real-world case studies, showcasing how ML techniques were utilized to solve complex challenges and enhance customer experiences.

The seminar on "Machine Learning Applications and Examples from Customer Engagement" proved to be an insightful and enriching event for all participants. The practical applications and real-world examples shared by Mr. Babu Mathew shed light on the potential of machine learning in revolutionizing customer engagement strategies. The event concluded on a positive note, with attendees not only gaining knowledge but also actively contributing to a greener and more sustainable campus environment.

Following the informative sessions, Mr. Babu Mathew actively participated in a "green campus" initiative, aligning with the institution's commitment to environmental sustainability. As a symbol of this commitment, Mr. Babu Mathew planted a tree on campus, emphasizing the importance of responsible and eco-friendly practices.

REPORT:

The Physics Department of Mary Matha Arts and Science College organized a workshop on Python Programming on 05/09/2023 from 10.00 AM – 12:30 PM in the computer lab. The workshop was conducted by Mr. Amal Jacob, Assistant Professor of Physics Department, for first, second and third year BSc. Physics students.

The workshop aimed to equip the participants with practical skills and knowledge in Python Programming relevant to applications in the field of physics. The participants were provided with computers and guided through practical exercises to reinforce learning. An interactive Q&A session was provided in which the participants had the opportunity to ask questions and seek clarifications on any aspects covered during the workshop. Participants gained a thorough understanding of Python Programming through this workshop. Based on the feedback received, it was recommended that the department should consider offering more advanced workshops on python programming.

Report

The Seminar on Telecom Consumer Awareness and Cyber Security, jointly organized by the Telecom Regulatory Authority of India (TRAI) and Mary Matha College, Mananthavadi, was a highly informative and engaging event. The seminar aimed to address critical issues in the telecommunications industry and promote cyber security awareness.

The event commenced with a Registration & Welcome Drink session, providing participants with an inviting atmosphere to network and establish connections. Following this, Shri K. Muralidhara, representing TRAI's Bangalore office, extended a cordial welcome and introduced the programme. Mr. Muralidhara's introduction began the day's discussions, highlighting the significance of consumer-centric policies in the telecommunications sector.

Dr. Maria Martin Joseph, the Principal of Mary Matha College, Mananthavadi, delivered the Presidential Address. His speech emphasized the pivotal role educational institutions play in disseminating knowledge about the telecommunications industry and fostering awareness among students.

The keynote address was presented by Shri Brajendra Kumar, Advisor at TRAI Bengaluru Regional Office. Mr. Kumar provided valuable insights into TRAI's strategic initiatives aimed at enhancing consumer experiences and ensuring a competitive telecommunications market.

The first session of the day focused on "Telecom Consumer Awareness," and was expertly led by Shri K. Chandra Choodan, Joint Advisor at TRAI Bengaluru Regional Office. His presentation shed light on the rights and responsibilities of consumers in the telecom industry. The session was followed by an engaging Q&A session.

The subsequent session tackled the crucial topic of "Awareness on Crimes and Cyber Security." This segment featured presentations by Shri Krishnan Potty and Shri. E.S. Bijumon, a distinguished Cyber Expert and Superintendent of Police from VACB, Kerala Police, Trivandrum. Their presentations provided invaluable insights into safeguarding against cyber threats and crimes offering practical advice on staying secure in the digital age.

An interactive session with representatives from Telecom Service Providers (TSPs) and the Comptroller and Auditor General (CAG) provided participants with a unique opportunity to gain firsthand insights into the challenges and opportunities faced by the industry.

Mananthavady, Wayanad, Kerala Re-accredited by NAAC with B++ Grade, CGPA 2.85 (III Cycle) Education for total liberation

The event concluded with a Vote of Thanks delivered by Ms. Junaida Nallakandy, student of 2 MSc Computer Science. Her gratitude extended to all participants, speakers, and organizers for their invaluable contributions towards the seminar's success.

Following the seminar's intellectually stimulating sessions, the organizers thoughtfully arranged a refreshing break with delectable refreshments to ensure that participants could relax and continue their discussions in a more informal setting. The refreshments included a delightful assortment of food and beverages, offering a perfect opportunity for attendees to mingle, network, and exchange ideas in a relaxed atmosphere.

The seminar proved to be an exceptional platform for knowledge exchange and dialogue, reinforcing the importance of consumer awareness and cyber security in today's rapidly evolving telecommunications landscape

Schedule:

Welcome Speech	: Sr Elizabeth M J, Assistant Professor (Program Co-Ordinator)
Felicitation	: Ms. Jisha T E, HOD, Department of CS
Keynote Speaker	: Ms. Shruthi, Operational Head, Maitexa Technologies Pvt Ltd
Vote Of Thanks	: Samuel Benny Varghese, Student of II MSc Computer Science
MOU Signing	: Principal and Ms. Sruthi

Report:

The MOU signing ceremony was held in a professional atmosphere, attended by key representatives from both Maitexa Technologies and our college followed by a seminar that took place on 23/09/2023. This MOU aimed to foster collaboration and mutual growth opportunities between the two organizations. The event was followed by a seminar that focused on various aspects of this collaboration.

It was designed to provide crucial guidance to MSc and final-year BSc students. The event commenced with a warm welcome by Elizabeth M J, Assistant Professor of the Computer Science Department, who highlighted the significance of the seminar in shaping the future careers of the students. Jisha T E, Head of the Department, delivered an enlightening talk, emphasizing the pivotal role of projects, interview readiness, and placement support in the academic journey of the students.

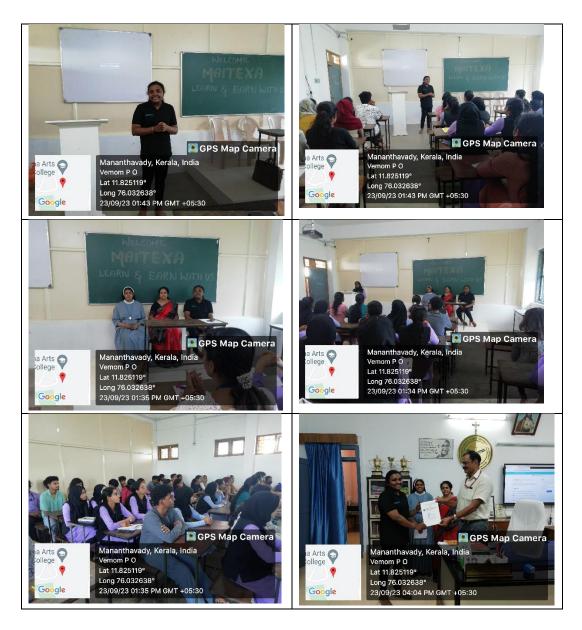

The speaker Ms. Shruthi, the Operational Head of Maitexa Technologies, delivered valuable insights on placement strategies and diverse career avenues for computer science graduates. The topics discussed mainly delved into the intricacies of navigating the competitive job market, offering practical advice on resume building, honing technical skills, and mastering the art of effective communication during interviews. Her session also included a discussion on the evolving trends in the tech industry, highlighting areas of high demand and emerging technologies that students should be aware of.

Mananthavady, Wayanad, Kerala Re-accredited by NAAC with B++ Grade, CGPA 2.85 (III Cycle) Education for total liberation

The Q&A session following her presentation allowed participants to seek personalized advice and clarification on various aspects of career development. Shruthi's comprehensive responses demonstrated her commitment to empowering the next generation of technologists. The event concluded with a Vote of Thanks delivered by Samuel Benny Varghese, a student of II MSc Computer Science.
