

Mary Matha Arts and Science College, Mananthavady

March - May, 2026

New Programme- B Sc data Science & Logistics

The college has received approval to start a new programme, **B.Sc. Data Science & Logistics**, in the academic year 2026–27.

Platinum Sustainable Campus Partner

Our college has been recognized as a **Platinum Sustainable Campus Partner** for successfully conducting sustainable activities during Earth Week (April 22–29, 2026) under the leadership of the NSS units. The activities were organized as part of the **Bharat Environment Program – A National Sustainable Campus Mission 2026**, conducted by the Research Heights Foundation in association with EPTRI.

Kuki students completed graduation

Five Kuki students completed their graduation and left the campus after three years filled with heartfelt experiences and cherished memories. They expressed their gratitude to the Diocese of Mananthavady and the entire college community for the compassion and financial support extended to them during these years.

PhD in Mathematics

Mr. Santhosh Kumar C. G. was awarded a PhD in Mathematics under the guidance of Dr. Sr. Bindhu K. Thomas from Kannur University.

Alumni Meet

The College Alumni Association conducted the Alumni Meet on May 9, 2026. New office bearers were elected during the meeting. The college gratefully acknowledged the valuable contributions of the executive committee members under the leadership of Adv. Shebin George, former President of the Alumni Association.

College Day

College Day, along with a live music performance and farewell programme for the outgoing students, was conducted on March 30, 2026.

Campus Drive

Vonnue, an emerging software company based in Bathery, conducted a placement drive at our college on May 16, 2026.

Edu-Expo

Our college is participating in **Edu-Expo**, a career orientation programme conducted from May 16–23, 2026, across different panchayats in the Mananthavady Block.
